

Thresher Shark Fishing Seminar

Open to the Public

- Fishermen, research biologists, and fisheries managers convene to discuss innovative fishing tactics, current research, and measures to help maintain a healthy thresher shark fishery
- Insights on effective catch-and-release techniques to increase post-release survival
- Exclusive underwater video of thresher sharks

Guest Speakers:

**Chugey Sepulveda Ph.D., Research Biologist,
Pfleger Institute of Environmental Research**

**Craig Heberer, Fisheries Biologist, NOAA
Southwest Region Sustainable Fisheries Division**
